Prayer items:

We give thanks that Taylor Payne is now home from the hospital after spending a week there due to an abscess that she has. Pray that the antibiotics that Taylor is on will continue to work to take away the couple of strains of bacteria in her system. Pray also that God will bless Taylor and her expectant baby with health and strength.

Carol Zoerhof recently had a cancerous lump removed from her breast. This past week, Carol found out that she will need some follow up radiation treatments to help combat the cancer. Pray that the radiation treatments will work to take all of Carol's cancer away.

Today we celebrate our graduates. Mitchell Hoeksema graduated from High School and Mandie Compagner and Kayla Vande Zande who graduated from college. We pray God will grant you His blessings in your next endeavors.
