This past Wednesday, Jobje Lammers was told by her oncologist that her recent CT scans found that the pancreatic cancer is in stable condition. The Doctor also stated that he wants to keep her on the same chemo cocktail and schedule of every other week, as long as her body can sustain that regiment. Because Jobje's blood levels were adequate, she then received another round of chemo - her 35th! Thank you all for your prayers. And to God be all the praise.
